Complete Survival Manual book by Michael Sweeney

April 16th, 2018 - Complete Survival Manual also included an essential packing guide for each different kinds of terrain Now for the negatives The information in the book is a little too general in many instances While it covers a lot of information it doesn t go into a lot of detail in any one of the subjects Also the illustrations are very small and not high quality Many are to the point that it is difficult to see exactly what the authors are trying to demonstrate Being a National Geographic book I
